I understand that this is not a one season membership, it is a commitment to remain a member in good standing for the 2021, 2022 and 2023 seasons. In the case, I do not complete the responsibility I authorize Kebo Valley Golf Club to charge my credit card listed below 20% of the full membership price. I also understand that, that my/our membership(s) are subject to the approval of the Board of Director of Kebo Valley Golf Club. You are welcomed to start play once an application is accepted by the Club Manager or Golf Professional. At Kebo Valley Golf Club, all our memberships are seasonal memberships, not yearly from the date of joining. I understand an annual membership allows the member to utilize the facilities from the time of official opening to the date of closing as established by management. Furthermore, I understand that if accepted, my membership continues until a written letter of resignation is delivered to The Board of Directors, Club Manager, or Head Professional. If my resignation letter is not submitted before April 1 of the season resigning, I may be liable for all dues for that season. I know that it is my responsibility to inform Kebo of any bank or credit card information, mailing address, phone number, or e-mail changes.
